FIRST: That the property hereby conveyed, is to be used for residential purposes only for a period of Twenty-one years after April 1, 1925, but this shall not be taken to prevent the grantor herein from designating certain lots of this development or any future addition thereto for business purposes or for other purposes.

SECOND: That no use shall be made of any lot which, in the opinion of the grantor herein, will constitute a nuisance, or prove in any way noxious or offensive to the neighboring inhabitants, or injure the value of neighboring lots.

THIRD: That no dwelling house shall be built on the above described lot to cost less than Three Thousand Dollars; that no residence, garage, or other building whatsoever shall be erected on said lot until, and unless, the plans and specifications thereof have been submitted to and approved by the grantor herein, or its successors; that the buildings on said land shall be erected on or within the building line, or the house location, as the case may be, as shown and indicated on the plat hereinabove referred to, and in strict accord with the plans and specifications so required to be submitted and approved, and shall face or front on the street or road on which the lot herewith conveyed is shown to front by the plat aforesaid.

FIFTH: That not more than one residence shall be erected on each lot or parcel as shown by said plat, PROVIDED, HOWEVER, that in addition to one residence, there may be erected a garage and servant's quarters, (the plans for which are to be first approved as hereinabove provided) in keeping with the premises, and no other building, structure or erection, within the building line and not nearer than five feet to any side or back line of any adjoining lot not owned by the owner of the land hereinabove described.

SIXTH: That the parties hereto, their successors, heirs and assigns, will not, during the term of twenty-one years from April 1, 1925, subdivide, sell or convey any part or parcel of said lots, less than the whole of each thereof, as shown on said plat (the grantor hereby expressly reserving the right, however, to sell and convey any part or parcel of said lots, less than the whole of each thereof, as shown on said plat, and the further right to determine the size and shape of lots sold for other than residential purposes.)

SEVENTH: That the grantor herein reserves the right to lay, erect and maintain, or authorize the laying, erecting and maintaining of sewer, gas, and water pipes, electric conduits or pipes, telegraph, telephone and electric light poles, and any other such public utilities, on or in any of the roadways, streets or alleys bordering said property, with connecting links for the same along the back and side lines of the lot above described, and to grade surface, and repair the said roadways, streets and alleys, without compensation to any lot owner for any damage sustained thereby.

EIGHTH: That no surface closet or other unsanitary device for the disposal of sewerage shall ever be installed or maintained on the lot herewith conveyed, will install on said lot a septic tank, or other sanitary device for disposal of sewerage, and said owner shall have the right to connect to and use the same; PROVIDED, HOWEVER, that in such event, grantor is to have the right, without reimbursement to the owner of said lot, to connect to said septic tank or other sanitary device one or more owners of other lots, or grant them the right to so connect, according to the capacity of said septic tank or other sanitary device.
