8. Lessee during the term of this lease or any renewal or extension thereof shall have the right and privilege to sublet or assign all or any part of its right under and to said premises but any such subletting or assignment shall not relieve Lessee from its obligation to pay the rent herein reserved unless Lessee shall consent in writing to such subletting or assignment.

9. Lessee shall have the privilege and option of renewing this agreement for an additional period of one (1) year, beginning with the date of the expiration hereof upon the same terms and conditions as hereinbefore set forth and such privilege of renewal and extension shall be considered as having been exercised unless Lessee gives Lessee notice in writing at least thirty (30) days prior to the expiration hereof of its intention not to exercise such renewal privilege.

10. Lessee has and is hereby given the right to cancel this lease at any time on giving Lessee thirty (30) days notice of Lessee's intention so to do. On the date such cancellation becomes effective, excepting only when the cancellation is made in accordance with the provisions of Article 4 hereof, Lessee shall pay to Lessee as consideration for said cancellation an amount which shall be determined by multiplying the largest rental theretofore paid in any one month under this lease by the number of full years remaining before the expiration of this lease.
