

TITLE TO REAL ESTATE

Greenville, S. C.  
October 16, 1941.

Plantation Pipe Line Company,  
11 1/2 North Laurens St.,  
Greenville, S. C.

Gentlemen:

NOTICE - We the undersigned, the joint owners of a tract of land in Fairview Township, have been advised that a survey for a pipe line to be constructed by you has been made across our property, and further, this is to notify you that the undersigned have refused to sign any right-of-way agreements permitting the construction of the pipe line across our property.

It has been alleged by a representative of your Company, Mr. E. F. Warren, that this is an emergency project; as owners of the property, if the construction of this line across our property is in the interest of National Defense, and is necessary or desirable, we are willing to grant permission without cost for the construction of this line, under the conditions that any actual damage done to the woodlands or crops on the property will be paid for by you. This permission is for the emergency only, and when the present emergency ceases to exist, this permission will immediately be revoked and any rights or easements to use the property, as stated above, will cease to exist. If the Plantation Pipe Line Company desires to use the property after the emergency, we will be willing to negotiate for the sale of a right-of-way on terms that will be fair and equitable to us.

A copy of this Notice is being filed and registered in the office of the Register of Mesne Conveyance of Greenville County.

Truly yours
