

line of poles and said easement shall be confined to a strip of land 20 feet in width lying along and adjacent to the Southeastern side of the right of way of Golden Strip Drive and shall run from the Southwestern side of the right of way of U. S. Highway 276 1026.9 feet along the Southeastern side of the right of way of Golden Strip Drive to the Easterly side of a lot 100 feet square owned by the Cooperative.

(b) That it will permit the free passage of traffic to and from the property of the Chemical Company beneath the lines constructed or to be constructed within said right of way and that said lines shall be placed at sufficient height to permit the passage of such traffic.

(c) That it will not change, or permit the changing of, the location of any poles used in connection with said lines without the prior approval of the Chemical Company.

(d) That it will permit the construction of entrances to the property of the Chemical Company beneath said lines and will relocate such poles at the expense of the Chemical Company as may, in the judgment of the Chemical Company, be necessary for the construction of such entrances.

(e) That so long as Duke Power Company desires to use said poles for its lines, it will permit the said Duke Power Company to attach its lines thereto.

The obligations of this agreement shall bind and its privileges shall enure to the benefit of the parties hereto and their respective successors and assigns.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their duly authorized officers and
