

First Part and to the said six (6") inch and two (2") inch water lines, all valves and connections and to the water meters serving consumers therefrom.

5. It is further understood and agreed between the parties hereto that all taps to be made to the said six (6") inch and two (2") inch water lines will be made by the Parties of the Second Part and are to be made only with the permission of the Parties of the Second Part and under the specifications as set forth by the Said Parties of the Second Part.

6. The Parties of the Second Part will furnish, or caused to be furnished, water from the said six (6") inch and two (2") inch water lines to the Party of the First Part and to its tenants, provided that all such furnishing of water shall be under the regulations set forth by the Parties of the Second Part and under terms and conditions solely within the discretion of the Parties of the Second Part.

7. The Party of the First Part agrees to defend and save harmless the Parties of the Second Part from any and all claims, actions, or causes of action, which might be asserted against the said Parties of the Second Part by any person or persons claiming any damages to person or property sustained by such person or persons by reason of a rupture or break in the said water lines or appurtenances thereto, including service pipes, meters, meter connections, etc., referred to herein.

8. The Party of the First Part does hereby give and grant unto the Parties of the Second Part, at any time after the date hereof, the option and privilege of purchasing the six (6") inch water lines and two (2") inch water lines and appurtenances thereunto
