

It is understood that the existing fence or fences will be removed during construction but will be replaced by the Grantee at the approximate original location and in substantially the same condition as it existed prior to removal and replacement.

Upon completion of the installation of the pipe line or lines, the right of way shall be cleaned up, all debris removed and the grounds and landscape to be restored to substantially the same condition as it existed prior to installation.

This agreement specifically covers compensation for the easement or right of way and also covers all claims for damages, along said right of way resulting to this grantor from construction of a pipe line or lines to be laid.

The undersigned agrees to release and give to The City of Greenville, South Carolina, immediate actual physical possession of the premises above described.

IN WITNESS WHEREOF, the grantor has caused its seal to be affixed hereto and those presents to be subscribed by its duly authorized officers, this 17th day of March, 1967.
