

- (b) Collect all rents and charges in connection with the operation of the project and use such collections to pay the mortgagor's obligations under this Agreement and under the note and mortgage and the necessary expenses of preserving the property and operating the project;
- (c) Take possession of the project, bring any action necessary to enforce any rights of the Owners growing out of the project operation, and operate the project in accordance with the terms of this Agreement until such time as the Commissioner in his discretion determines that the Owners are again in a position to operate the project in accordance with the terms of this Agreement and in compliance with the requirements of the note and mortgage;
- (d) Apply to any court, State or Federal, for specific performance of this Agreement, for an injunction against any violation of the Agreement, for the appointment of a receiver to take over and operate the project in accordance with the terms of the Agreement, or for such other relief as may be appropriate, since the injury to the Commissioner arising from a default under any of the terms of this Agreement would be irreparable and the amount of damage would be difficult to ascertain.
11. As security for the payment due under this Agreement to the reserve fund for replacements, and to secure the Commissioner because of his liability under the endorsement of the note for insurance, and as security for the other obligations under this Agreement, the Owners respectively assign, pledge and mortgage to the Commissioner their rights to the rents, profits, income and charges of whatever sort which they may receive or be entitled to receive from the operation of the mortgaged property, subject, however, to any assignment of rents in the insured mortgage referred to herein. Until a default is declared under this Agreement, however, permission is granted to Owners to collect and retain under the provisions of this Agreement such rents, profits, income, and charges, but upon default this permission is terminated as to all rents due or collected thereafter.
12. Owners agree that there shall be full compliance with the provisions of (1) any state or local laws prohibiting discrimination in housing on the basis of race, color, creed, or national origin; and (2) with the Regulations of the Federal Housing Administration providing for nondiscrimination and equal opportunity in housing. It is understood and agreed that failure or refusal to comply with any such provisions shall be a proper basis for the Commissioner to take any corrective action he may deem necessary including, but not limited to, the rejection of future applications for FHA mortgage insurance and the refusal to enter into future contracts of any kind with which the Owners are identified; and further, if the Owners are a corporation or any other type of business association or organization which may fail or refuse to comply with the aforementioned provisions, the Commissioner shall have a similar right of corrective action (1) with respect to any individuals who are officers, directors, trustees, managers, partners, associates or principal stockholders of the Owners; and (2) with respect to any corporation or any other type of business association, or organization with which the officers, directors, trustees, managers, partners, associates or principal stockholders of the Owners may be identified.
