Re: Orchard Trace I  
Greenville Project #115  
Greenville, S. C.

Dear Mr. Hartley:

As per our telephone conversation of December 19th this is to advise you that your account has been submitted on a construction draw. I believe we will be able to have you paid in full by January 15, 1974.

Your last statement was not received by our Greenville Project until December 18th. However, we are sending this on to Palm Beach asking them to place it on the draw that was submitted by us on the 15th.

I trust that when you receive your final payment that we will be able to perhaps do business with you again in the future.

Sincerely yours,

NORTH AMERICAN CONSTRUCTION CO.  
DIVISION KASSUBA DEVELOPMENT CORP.
