If for any reason it becomes necessary to install underground piping at a depth greater than four (4) feet, or if water, rock, quicksand, or other unforeseen obstructions are encountered, the buyer is to pay the additional expense involved.

Terms of payment are in monthly installments equal to ninety percent (90%) of materials delivered and labor expended, payable on or before the tenth (10th) of the following month. The balance will be due thirty (30) days after completion of the work by this contractor.

We appreciate the opportunity of quoting on this project and look forward to working with you,

Sincerely,

PIEDMONT SPRINKLER COMPANY, INC.
