with interest from the date hereof until maturity at the rate of six (6%) per centum per annum to be computed and paid monthly on outstanding balance until paid in full.

Any deficiency in the amount of such monthly payments, shall, unless paid by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage. All installments of principal and all interest are payable in lawful money of the United States of America; and in the event default is made in the payment of any installment or installments, or any part thereof, as therein provided, the same shall bear simple interest from the date of such default until paid at the rate of seven (7%) per centum per annum.

And if at any time any portion of principal or interest shall be past due and unpaid, or if default be made in respect to any condition, agreement or covenant contained herein, then the whole sum of the principal of said note remaining at that time unpaid together with the accrued interest, shall become immediately due and payable, at the option of the holder thereof, who may sue thereon and foreclose this mortgage; and if said note, after its maturity, should be placed in the hands of an attorney for suit or collection, or if, before its maturity, it should be deemed by the holder thereof necessary for the protection of its interests to place, and the holder should place, the said note or this mortgage in the hands of an attorney for any legal proceedings; then and in either of such cases the mortgagor promises to pay all costs and expenses including a reasonable attorney's fee, these to be added to the mortgage indebtedness, and to be secured under this mortgage as a part of said debt.
