THE MORTGAGEE COVENANTS AND AGREES AS FOLLOWS:

My Commission Expires

- 1. That should the Mortgagor prepay a portion of the indebtedness secured by this neutrage and subsequently fail to make a payment or payments as required by the aforesaid promissory rote, any such prepayment may be applied toward the missed payment or payments insofar as possible, in order that the principal debt will not be held contractually delinquent.
- 2. It is mutually agreed that if there is a default in any of the terms conditions or covenants of this mortgage, or of the note secured hereby, then, at the option of the Mortgagee, all sums then owing by the Mortgagor to the Mortgagee shall become immediately due and payable and this mortgage may be foreclosed. Should any legal proceedings be instituted for the foreclosure of this mortgage, or should the Mortgagee become a party to any suit involving this Mortgage or the title to the premises described herein, or should the debt secured hereby or any part thereof be placed in the hands of an attorney at law for collection by suit or otherwise, all costs and expenses incurred by the Mortgagee, and a reasonable attorney's feet shall thereupon become due and payable immediately or on demand at the option of the Mortgagee, as a part of the debt secured thereby, and may be recovered and collected hereunder.
