

**2. Funds for Taxes and Insurance.** Subject to Lender's option under paragraphs 4 and 5 hereof, Borrower shall pay to Lender on the day monthly installments of principal and interest are payable under the Note, until the Note is paid in full, a sum therein ("Funds") equal to one-twelfth of the yearly taxes and assessments which may attain priority over this Mortgage, and ground rents on the Property, if any, plus one-twelfth of yearly premium installments for hazard insurance, plus one-twelfth of yearly premium installments for mortgage insurance, if any, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof. The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender shall make no charge for so holding and applying the Funds or verifying and compiling said assessments and bills. Borrower and Lender may agree in writing at the time of execution of this Mortgage that interest on the Funds shall be paid to Borrower, and unless such agreement is made, Lender shall not be required to pay Borrower any interest on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Mortgage.

If the amount of the Funds held by Lender together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency within thirty days after notice from Lender to Borrower requesting payment thereof.

Upon payment in full of all sums secured by this Mortgage, Lender shall promptly refund to Borrower any Funds held by Lender.

If under paragraph 18 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Mortgage.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Note and paragraphs 1 and 2 hereof shall be applied by Lender first to payment of amounts payable to Lender by Borrower under paragraph 2 hereof, then to interest payable on the Note and on Future Advances, if any, and then to the principal of the Note and to the principal of Future Advances, if any.

**4. Charges; Liens.** Borrower shall pay all taxes, assessments and other charges, fees and impositions attributable to the Property which may attain priority over this Mortgage, and ground rents, if any, at Lender's option, in the manner provided under paragraph 2 hereof or by Borrower making payment when due directly to the payee thereof. Borrower shall promptly furnish to Lender notices of amounts due under this Mortgage, or to any other party. Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has priority over this Mortgage, provided that Borrower shall make payment to Lender in such lien so long as Borrower shall agree in writing to the payment of the obligation secured by such lien in amounts acceptable to Lender, or shall in good faith contest such lien by or defend enforcement of such lien, or by proceedings which operate to prevent the enforcement of the lien or forfeiture of the Property or any portion thereof.

**5. Hazard Insurance.** Borrower shall keep the improvements now existing on the property covered on the Property insured against loss by fire, hazards, wind, water, etc., from "extended coverage" to the extent of risks as Lender may require and in such amounts and for such periods as Lender may require, provided that the cost of such coverage shall not exceed that amount of coverage required to pay the sums secured by this Mortgage.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided that such approval shall not be unreasonably withheld. All premiums on such insurance shall be paid at Lender's option in the manner provided under paragraph 2 hereof or by Borrower making payment when due directly to the insurance carrier.

All insurance policies and renewals shall be submitted to Lender for examination and shall include a standard mortgage clause in favor of and in form acceptable to Lender. Lender shall receive the original and the policy and renewals thereof, and Borrower shall promptly furnish to Lender all renewal notices and renewals of such premiums. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender, and Lender may make a demand of loss of not made promptly by Borrower.

Unless Lender and Borrower otherwise agree, in writing, the insurance funds shall be applied to restoration or repair of the Property damaged, or for replacement or removal as necessary, as Lender and the security of this Mortgage is not thereby impaired. If such damage or removal is extensive, so as to impair the security of this Mortgage, would be impaired, the insurance proceeds shall be applied to the removal of such damage by this Mortgage, or to excess amounts paid to Borrower. If the Property is abandoned by Borrower, and Borrower fails to restore the Property, Lender may demand payment by Lender to Borrower that the insurance carrier pays directly to Lender, Lender may demand to and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Mortgage.

Unless Lender and Borrower otherwise agree in writing, the insurance funds applied to principal shall not extend or postpone the due date of the monthly installments required by paragraphs 1 and 2 hereof or change the amount of such installments.

If under paragraph 18 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply to any insurance policies and in such amounts as Lender deems necessary to the sums secured by this Mortgage immediately prior to such sale or acquisition resulting from damage to the Property, to the sums secured by this Mortgage to Lender.

**6. Preservation and Maintenance of Property; Leaseholds; Condominiums.** Borrower shall keep the Property in good repair and shall not permit the same to become dangerous, unsanitary, or undesirable, in accordance with the provisions of any lease or this Mortgage, or any other written agreement between Lender and Borrower, or in accordance with Borrower's obligations in the applicable documents of title, including the by-laws, governing documents, and condominium project and constituent documents.

**7. Protection of Lender's Security.** If Borrower fails to perform the covenants and agreements contained in this Mortgage, or if any action or proceeding is taken or commenced against Lender or against the Property, including but not limited to eminent domain, or if any other claim or action is taken against Lender or against the Property involving bankruptcy or default, then Lender at Lender's option may notice to Borrower to make arrangements for the payment of sums and take such actions as necessary to protect Lender's security, including but not limited to the appointment of a receiver, trustee, or attorney-in-fact over the Property to make repairs. Any amounts disbursed by Lender in connection with paragraph 7 will become due and owing, shall become additional indebtedness of Borrower secured by this Mortgage. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower, commencing payment of interest and default interest from the date of disbursement at the rate stated in the Note, unless payment of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the greatest rate permissible by applicable law. Nothing contained in this paragraph 7 shall require Lender to incur any expense or delay in so doing.

**8. Inspection.** Lender may take or cause to be made reasonable entries, provided inspections of the Property, provided that Lender shall give Borrower reasonable notice of such inspection, specifying the nature and scope thereof related to Lender's interest in the Property.

**9. Condemnation.** The proceeds of any award or decree of damages or compensation in connection with any condemnation or taking of the Property, or any interest in or fixture thereon, shall belong to Lender, who is hereby assigned and shall be entitled to Lender.

In the event of the taking of the Property, the proceeds of any award or decree of damages or compensation by this Mortgage, with the excess, if any, shall be paid to Borrower. In the event of a taking of the property, Lender shall keep and receive, in writing, the amount of the compensation received by this Mortgage, less the amount of the expenses incurred by Lender in connection therewith.
