10.4. THE B WITH ALL THE SITES FOR THE TRADES In this section we consider the case where the B is a complete graph, i.e., every vertex is adjacent to all other vertices. This is equivalent to assuming that there is no limit to the number of sites that can be located in a given area, and that there is no limit to the number of different types of goods that can be traded.

The Mortgagor represents and warrants that said Mortgagor is a party of the first part to the Note and that the Mortgagor has power to make the above described premises free and clear of all liens or other encumbrances, except the Mortgagage which is hereby given to secure payment of the sum and that the Mortgagor will pay over to the Lender all rents and issues received by him from time to time out of the Mortgaged premises.

III. MOBILE-MOB COVNTS AND AGENTS AS FOLWS:

- That the Mortgagor will promptly pay the principal and interest on the amount of such sum as may be due on the mortgage debt at the times and in the manner therein provided.
 - That this mortgage will secure the Mortgagor for any additional sums which may be due or become due at the option of the Mortgagor, for the payment of taxes or public assessments, hazard insurance premiums, or other amounts paid to the provisions of this mortgage, and also for any taxes or charges that may hereafter be levied by the State of South Carolina or the authority of Sec. 45-55, 1962 Code of Laws of South Carolina as amended or as the state tax laws shall be changed, all bearing the interest at the same rate or rates as that provided in said note unless otherwise agreed to by the parties hereto and be payable at the demand of the Mortgagor, unless otherwise provided in writing.
 - That Mortgagor will keep the improvements on the mortgaged premises, whether now existing or hereafter to be erected, insured against loss by fire, windstorm and other hazards in a sum not less than the balance of the amount of the principal and interest and expenses acceptable to the Mortgagor, and Mortgagor has hereby assent on the policy or policies of insurance to the Mortgagor and agrees that all such policies shall be held by the Mortgagor should it so require and shall include loss payable clauses, and that the Mortgagor, and in the event of loss, Mortgagor will give immediate notice thereof to the Mortgagor by registered mail, and should the Mortgagor at any time fail to keep said premises insured or fail to pay the premium for such insurance, then the Mortgagor may cause such improvements to be insured in the name of the Mortgagor and shall be entitled to the cost of such insurance with interest as hereinabove provided.
 - That the Mortgagor will keep all improvements upon the mortgaged premises in good repair, and should Mortgagor fail to do so, the Mortgagor may, at its option, enter upon said premises and make whatever repairs are necessary, deducting the expense for such repairs to the mortgage debt and collect the same under this mortgage, with interest as hereinabove provided.
 - That the Mortgagor may at any time require the Mortgagor and co-indebtor of this note, open the title of any person obligated under the indebtedness secured hereby in a sum sufficient to pay the mortgage debt, with the Mortgagor as beneficiary, and if the premiums are not otherwise paid, the Mortgagor may pay said premium and any amount so paid shall be included in the mortgage debt.
 - That Mortgagor agrees to pay all taxes and other public assessments, to be laid against the mortgaged premises, assessed by the Assessors thereof and to extend the same to the options thereafter of the Mortgagor, until fully paid, and should the Mortgagor fail to pay such taxes and assessments when the same shall fall due, the Mortgagor may, at its option, pay the same and charge the amounts so paid to the mortgage debt and collect the same under this mortgage with interest as hereinabove provided.
 - That if the Mortgagee suffers a loss or damage, and the Mortgagor agrees that the principal amount of the indebtedness hereby created shall be advanced by the Mortgagee in periodic payments as provided in the agreement, or in full, with the terms and conditions of a Construction Loan Agreement which is separately executed by the Mortgagor and incorporated herein by reference.
 - That the Mortgagor will not further encumber the premises, or any part thereof, without the prior consent of the Mortgagor, and should the Mortgagor so encumber said premises, the Mortgagor may, at its option, before the indebtedness herein secured to be immediately due and payable and may institute any proceedings necessary to collect said indebtedness.
 - That should the Mortgagor alienate the mortgaged premises by the method set forth in Article 10 of the Deed of Trust or Deed of Covenants, and the within mortgage or indebtedness is not paid in full, the Mortgagor or his heirs shall be required to file with the Association an application for an assumption of the mortgage or indebtedness, pay the reasonable cost as proposed by the Association for processing the assumption, furnish the Association with a copy of the Contract or Sale, from the Title or Deed of Covenants, and have the interest rate on the loan balance existing at the time of transfer modified by increasing the interest rate on the said loan balance to the maximum rate per annum permitted to be charged at that time by single state statute and law, or a lesser increase in interest rate as may be determined by the Association. The Association will notify the Mortgagor of the new interest rate and monthly payments, and will mail him a new schedule. Should the Mortgagor, or his heirs, fail to comply with the provisions of the within paragraph, the Mortgagor, at its option, may decline the indebtedness hereby secured to be immediately due and payable and may institute any procedure necessary to collect said indebtedness.
 - That should the Mortgagor fail to make payments of principal and interest as due on the previous note and the same shall be unpaid for a period of thirty (30) days or if there should be any failure to comply with and abide by any law or the charter of the Mortgagor, or any stipulations set out in this mortgage, the Mortgagor, at its option, may write to the Mortgagor at his last known address giving him thirty (30) days in which to rectify the said default and should the Mortgagor fail to rectify said default within the said thirty days the Mortgagor, may, at its option, increase the interest rate on the loan balance for the remaining term of the loan or for a lesser term to the maximum rate per annum permitted to be charged at that time by applicable South Carolina law, or a lesser increase rate as may be determined by the Association. The monthly payments will be adjusted accordingly.
 - That should the Mortgagor fail to make payments of principal and interest as due on the previous note and should any monthly installment become past due for a period in excess of 15 days, the Mortgagor may collect a late charge not to exceed an amount equal to five (.5%) per centum of any such past due installment in order to cover the extra expense incident to the handling of such delinquent payments.
 - That the Mortgagor hereby agrees to the Mortgagor, its successors and assigns, all the rents, issues, and profits arising from the mortgaged premises, retaining the right to collect the same so long as the debt herein secured is not in arrears of payment, but should any part of the principal indebtedness, or interest, taxes or the insurance premiums be past due and unpaid, the Mortgagor may without notice or further proceedings take over the mortgaged premises, if they shall be occupied by a tenant or tenants, and may collect and rents and profits and apply the same to the indebtedness hereby secured, without liability to account for anything more than the rents and profits actually collected, less the cost of collection, and any tenant is estopped upon request by Mortgagor, to make all rental payments direct to the Mortgagor, without liability to the Mortgagor, and notified to the contrary by the Mortgagor, and should said premises at the time of such default be occupied by the Mortgagor, the Mortgagor may apply to the Justice of the County Court or to any Judge of the Court of Common Pleas who shall be qualified or proceeding in the County of Orange for the appointment of a receiver with authority to take possession of said premises and collect such rents and profits, applying said rents after paying the cost of collection, to the mortgage debt without liability to account for anything more than the rents and profits actually collected.
 - That the Mortgagor, at its option, may require the Mortgagor to pay to the Mortgagor, on the first day of each month until the note secured hereby is fully paid, the following amounts in addition to the payments of principal and interest provided in said note, a sum equal to the premiums that will next become due and payable on policies of mortgage insurance, hazard, fire, and other hazard insurance covering the mortgaged property, plus taxes and assessments to be due on the mortgaged property, all as estimated by the Mortgagor, less all sums already paid therefor, divided by the number of months to elapse before the next payment to the date when such premiums, taxes and assessments will be due and payable, each sum to be held by Mortgagor to pay said premiums, taxes and special assessments. Should these payments exceed the amount of payments actually made by the Mortgagor for taxes, assessments, or insurance premiums, the excess may be credited by the Mortgagor on subsequent payments to be made by the Mortgagor, if, however, such sum shall be insufficient to make said payments when the same shall become due and payable, the Mortgagor shall pay to the Mortgagor any amounts necessary to make up the deficiency. The Mortgagor further agrees that at the end of ten years from the date hereof, Mortgagor may, at its option, apply for renewal of mortgage insurance or similar insurance, if applicable, covering the balance of their remaining due on the mortgage debt, and the Mortgagor may, at its option, pay the same premiums required for the remaining years of the term of the Mortgage or may pay such premium and add the same to the mortgage debt, in which event the Mortgagor shall repay to Mortgagor such premium payment, with interest, at the rate specified in said previous note, in equal monthly installments over the remaining payment period.
