The Monte Carlo results are plotted in Figure 18. The Monte Carlo simulation shows that the average value per spin of the reduced magnetization is zero. Monte Carlo simulation also shows that the Monte Carlo error is small enough so that the Monte Carlo error does not affect the Monte Carlo average per spin.

## THE MORTGAGE COVENANTS AND AGENTS AS FORGERS

1. That the Mortgagor will promptly pay the principal and interest on the mortgage debt and all other amounts due at the time of the transfer and at the times herein provided.
  2. That this mortgage will secure the Mortgagor's first liability and responsibility for taxes, assessments, and other charges levied against the mortgaged premises, or public assessments, or other burdens imposed upon the property, or imposed by the provisions of this mortgage, and also for any losses or damages that may be sustained by reason of the Mortgagee's failure to pay the authority of Sec. 45-55, 1962 Code of Laws of South Carolina, as amended, or similar statutes, and all amounts so claimed shall bear interest at the same rate or rates as that provided in said note unless otherwise agreed upon by the parties and shall be payable at the demand of the Mortgagee, unless otherwise provided in writing.
  3. That Mortgagor will keep the improvements on the mortgaged premises, whether now existing or hereafter to be erected, insured against loss by fire, windstorm and other hazards in a sum not less than the balance due hereunder at any time, or in a company or companies acceptable to the Mortgagee, and Mortgagor does hereby assign the policy or policies of insurance to the Mortgagee and agrees that all such policies shall be held by the Mortgagee should it so require and shall include loss payable clauses in favor of the Mortgagee, and in the event of loss, Mortgagee will give immediate notice thereof to the Mortgagor. If required, Mortgagor shall cause the Mortgagor at any time fail to keep said premises insured or fail to pay the premiums for such insurance, then the Mortgagee may cause such improvements to be insured in the name of the Mortgagee and reimburse itself for the cost of such insurance, with interest as hereinabove provided.
  4. That the Mortgagor will keep all improvements upon the mortgaged premises in good repair, and should Mortgagor fail to do so the Mortgagee may, at its option, enter upon said premises and make whatever repairs are necessary and charge the expenses for such repairs to the mortgage debt and collect the same under this mortgage, with interest as hereinabove provided.
  5. That the Mortgagor may at any time require the issuance and maintenance of insurance upon the life of any person obligated under the indebtedness secured hereby in a sum sufficient to pay the mortgage debt, with the Mortgagee as beneficiary, and if the premiums are not otherwise paid, the Mortgagor may pay said premiums and say amount so paid shall become a part of the mortgage debt.
  6. That Mortgagor agrees to pay all taxes and other public assessments levied against the mortgaged premises on or before the due dates thereof and to exhibit the receipts therefor at the offices of the Mortgagee immediately upon payment, and should the Mortgagor fail to pay such taxes and assessments when the same shall fall due, the Mortgagor may, at its option, pay the same and charge the amounts so paid to the mortgage debt and collect the same under this mortgage, with interest as above provided.
  7. That if this mortgage secures a "construction loan", the Mortgagor agrees that the principal amount of the indebtedness hereby secured shall be disbursed to the Mortgagee in periodic payments, as construction progresses, in accordance with the terms and conditions of a Construction Loan Agreement which is separately executed but is made a part of this mortgage and incorporated herein by reference.
  8. That the Mortgagor will not further encumber the premises above described, without the prior consent of the Mortgagor, and should the Mortgagee encumber such premises, the Mortgagee may, at its option, declare the indebtedness hereby secured to be immediately due and payable and may institute any proceedings necessary to collect said indebtedness.
  9. That should the Mortgagor alienate the mortgaged premises by Contract of Sale, Bond for Title, or Deed of Conveyance, and the within mortgage indebtedness is not paid in full, the Mortgagor or his Purchaser shall be required to file with the Association an application for an assumption of the mortgage indebtedness, pay the reasonable cost as required by the Association for processing the assumption, furnish the Association with a copy of the Contract of Sale, Bond for Title, or Deed of Conveyance, and have the interest rate on the loan balance existing at the time of transfer modified by increasing the interest rate on the said loan balance to the maximum rate per annum permitted to be charged at that time by applicable South Carolina Law, or a lesser increase in interest rate as may be determined by the Association. The Association will notify the Mortgagor or his purchaser of the new interest rate and monthly payments, and will mail him a new passbook. Should the Mortgagor, or his Purchaser, fail to comply with the provisions of the within paragraph, the Mortgagor, at its option, may declare the indebtedness hereby secured to be immediately due and payable and may institute any proceedings necessary to collect said indebtedness.
  10. That should the Mortgagor fail to make payments of principal and interest as due on the promissory note and the same shall be unpaid for a period of thirty (30) days, or if there should be any failure to comply with and abide by any by-laws or the charter of the Mortgagor, or any stipulations set out in this mortgage, the Mortgagor, at its option, may write to the Mortgagor at his last known address giving him thirty (30) days in which to rectify the said default and should the Mortgagor fail to rectify said default within the said thirty days, the Mortgagee, may, at its option, increase the interest rate on the loan balance for the remaining term of the loan or for a lesser term to the maximum rate per annum permitted to be charged at that time by applicable South Carolina law, or a lesser increase rate as may be determined by the Association. The monthly payments will be adjusted accordingly.
  11. That should the Mortgagor fail to make payments of principal and interest as due on the promissory note and should any monthly installment become past due for a period in excess of 15 days, the Mortgagee may collect a "late charge" not to exceed an amount equal to five (5%) per centum of any such past due installment in order to cover the extra expense incident to the handling of such delinquent payments.
  12. That the Mortgagor hereby assigns to the Mortgagee, its successors and assigns, all the rents, issues, and profits accruing from the mortgaged premises, retaining the right to collect the same so long as the debt hereby secured is not in arrears of payment, but should any part of the principal indebtedness, or interest, taxes, or fire insurance premiums, be past due and unpaid, the Mortgagee may, without notice or further proceedings, take over the mortgaged premises, if they shall be occupied by a tenant or tenants, and collect said rents and profits and apply the same to the indebtedness hereby secured, without liability to account for anything more than the rents and profits actually collected, less the cost of collection and any tenant is authorized, upon request by Mortgagee, to make all rental payments direct to the Mortgagee without liability to the Mortgagee, until satisfied to the contrary by the Mortgagee; and should said premises at the time of such default be occupied by the Mortgagor, the Mortgagee may apply to the Judge of the County Court or to any Judge of the Court of Common Pleas who shall be resident or presiding in the county aforesaid for the appointment of a receiver with authority to take possession of said premises and collect such rents and profits, applying said rents, after paying the cost of collection, to the mortgage debt without liability to account for anything more than the rents and profits actually collected.
  13. That the Mortgagor, at its option, may require the Mortgagor to pay to the Mortgagee, on the first day of each month until the note secured hereby is fully paid, the following sums in addition to the payments of principal and interest provided in said note: a sum equal to the premiums that will next become due and payable on policies of mortgage currency insurance (if applicable), fire and other hazard insurance covering the mortgaged property plus taxes and assessments next due on the mortgaged premises (all as estimated by the Mortgagee) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such premiums, taxes, and assessments will be due and payable, such sum to be held by Mortgagee to pay said premiums, taxes and special assessments. Should these payments exceed the amount of payments actually made by the Mortgagee for taxes, assessments, or insurance premium, the excess may be credited by the Mortgagee on subsequent payments to be made by the Mortgagor, if, however, said sums shall be insufficient to make said payments when the same shall become due and payable, the Mortgagor shall pay to the Mortgagee any amounts necessary to make up the deficiency. The Mortgagor further agrees that at the end of ten years from the date hereof, Mortgagee may, at its option, apply for renewal of mortgage currency or similar insurance, if applicable, covering the balance then remaining due on the mortgage debt, and the Mortgagor may, at its option, pay the yearly premium required for the remaining years of the term, or the Mortgagee may pay such premium and add the cost to the mortgage debt, in which event the Mortgagor shall repay to Mortgagee such premium payment, with interest, at the rate specified in said promissory note, in equal monthly installments over the remaining payment period.
