Unless Borrower and Lender agree to other terms of payment, such amounts shall be immediately due and payable and shall bear interest from the date of disbursement at the rate stated in the Note unless collection from Borrower of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law. Borrower hereby warrants and agrees that Lender shall be subordinate to the holder of any mortgage or other lien so charged, in whole or in part, by the instrument hereof secured hereby. Nothing contained in this paragraph 4 shall require Lender to incur any expense on the account hereunder.

The proceeds of any award, payment or claim for damages, direction or otherwise, in connection with any condemnation or other taking, whether direct or indirect, of the Property, or part thereof, or for any severance in favor of condemnee, shall hereby be assigned to and shall be paid to Lender subject to this instrument in accordance with the rights of lessee under the ground lease.

Borrower authorizes Lender to apply such awards, payments, proceeds or damages, after the deduction of Lender's expenses incurred in the collection of such amounts, at Lender's option, to restoration or repair of the Property or to payment of the sums secured by this Instrument, whether or not then due, in the order of application set forth in paragraph 3 hereof, with the balance, if any, to Borrower. Any action taken by Lender in accordance with the terms of paragraph 12 shall not affect the obligation of Borrower or Borrower's successors or assigns to pay the principal and the interest on the amounts of Borrower's indebtedness which accrued before the date of such action, or the amounts of the principal and the interest on the amounts of indebtedness accrued thereafter, shall not affect the claim of Lender to payment of the principal and the interest on the amounts of the principal and the interest on the amounts of indebtedness accrued before the date of such action, or the amounts of the principal and the interest on the amounts of indebtedness accrued thereafter, and shall not affect the Liens upon the Property, or the Property.
