

5 The repurchase price shall be calculated so that THE BUYER will receive an amount equal to its original investment in an amount equal to the rate which was anticipated by the original purchase price had the account been held to maturity.

6. In the event there is mortgage insurance, taxes or insurance escrowed by the assignor, said funds are included in the purchase price and shall be delivered in tact.

Given under the respective Hands and Seals of each of the undersigned this 29th day of JUNE, 1984.
