MUNITIONS BLDG., 19TH & B STS.,
WASHINGTON, D. C.

File No. 979 R/E.
Case under A.O. 59, W.D. 1919.

October 21, 1919.

In the matter of the claim of }
A. D. Plumley, of Landrum, S.C. } REPORT.

No claim for damages was submitted in this case.

A Local Board of Officers, convened pursuant to paragraph 9, Special Orders No. 22, Headquarters, Camp Wadsworth, S. C., dated January 22nd, 1919, examined the land of A. D. Plumley. This land consisted of a tract of approximately 47 acres, located in Glassy Mountain Township, Greenville County, S. C., and adjoining the land of the Border State Lumber Company on the North, George W. Plumley on the East, Luther E. Fisher on the South and the Border State Lumber Company on the West, which land was leased by claimant to the Chamber of Commerce, Spartanburg, S. C., and by the said Chamber of Commerce to the United States under blanket lease dated November 27th, 1917.

The Local Board examined the owner of this tract of land who stated that Local Boards had considered two claims of his for crop damage on this land. The Board above referred to as having made examination of the land, made a final examination of the land and states that the final report on crop damage was made as of the date of May 23, 1919, and is presumed to have been final and complete as to crop damage. Mr. Plumley so considered it, and did not file any claim before the latter Board.

There appears to have been no other damage to the property, and therefore Mr. Plumley waived any further damages, which waiver is hereto attached, in which Mr. Plumley agrees to waive any and all claims for damages by reason of any acts of the Government and its employees, not heretofore passed upon by the Board of Officers, and releases the Government from any further responsibility for said land from the 19th day of May, 1919.

In view of the above facts, the War Department Board of Appraisers concurs in the action of the Local Board.
