and

Quitclaim Deed from Yeargin Construc-
tion Company and Standard Supply
Co., Inc. to Pelham-Woodmere Part-
nership

Dear Mrs. Farnsworth:

On November 28th the above two quitclaim deeds were recorded in your office. The consideration listed on each deed was "\$1.00 and other valuable consideration and the assumption of mortgage indebtedness recited therein". There was no cash payment in connection with either deed and it is our position that no stamps are involved. However, as this is related to the same transaction about which we wrote you on October 1st and which is presently being negotiated with the Attorney General's office we agree to also take up the matter of stamps on these two deed with the Attorney General's office. I thought you should have a letter for your file in this connection. Thank you very much.

Yours very truly,

Don Farnsworth
