

such approval will not be required and this covenant will be deemed to have been fully complied with. Neither the members of such committee, or its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. The powers and duties of such committee, and of its designated representatives shall cease on and after January 1, 1975. Thereafter the approval described in this covenant shall not be required unless, prior to said date and effective thereon, a written instrument shall be executed by the then record owners of a majority of the lots in this subdivision and duly recorded appointing a representative, or representatives, who shall thereafter exercise the same powers previously exercised by said committee.

8. No building shall be located nearer to the front lot line or nearer to the side street line than the building setback lines shown on the recorded plat, or if not shown thereon, nearer than 35 feet from the front or side street line. Further, no portion of the house or its porches or attached garages shall be located nearer the side property line than a distance equal to ten per cent (10%) of the width of the lot at its front setback line.
9. No residential structure shall be erected or placed on any building plot, which plot has an area of less than 7500 square feet or width of less than 60 feet at the front building setback line.
10. No obnoxious or offensive trade or activity shall be carried on upon any of the above numbered lots nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.
11. No trailer, basement, tent, shack, garage, barn or other out-building erected in the tract shall at any time be used as a residence temporarily or permanently, nor shall any structure of a temporary character be used as a residence.
12. The ground floor area of the main structure of the dwelling, exclusive of one-story open porches and garages, shall be not less than 950 square feet in the case of a one-story structure nor less than 800 square feet in the case of a one and one-half, two and two and one-half story structure.
13. Easements for utility installation and maintenance are reserved as shown on the recorded plat and over and across all of the above numbered lots as shown on said recorded plat.
14. No fences of any type shall be erected on any residential lot in front of the front wall of the dwelling located on said lots, except that a fence not in excess of three feet in height will be permitted to be located between the front wall of the house and the street, and provided such fence so erected shall not be closer to the street than one-half the distance of the set-back line and shall not be any greater in width or length than the width of the dwelling located on such lot.

In witness whereof the said Woodfields, Inc. by its duly authorized officers, B.R. O'Connell, President, and R.A. Higgins, Ass't Secretary, have herein set its hand and affixed its seal this 9th day of January, 1952.

WOODFIELDS, INC.
