

and free right, liberty and authority to construct, operate and maintain a one and one-half (1 1/2) inch water line under the ground along the edge of Unity Road, from the city limits of the town of Mountain View to one thousand (1000) feet beyond a point where Lobb Town Road and Unity Road intersect and one thousand (1000) feet in each direction along Lobb Town Road, from the point where Unity Road crosses Lobb Town Road and the county further agrees to permit Unity Road Water Co., its successors or assigns, to dig the necessary trenches for the laying of the one and one-half (1 1/2) inch water line and to make any excavations necessary for the construction and permanent maintenance of said water line.

II.

The Unity Road Water Co., composed of the above named several persons, agrees to bind themselves individually, jointly and severally, to do as little damage as possible to the road side of the counties road and further agrees to restore the counties road or road side to the equivalent condition that it was before any excavations for construction or maintenance was made, now and in the future, and, further agrees that the county shall not be responsible for any damages, now or in the future that may be done or caused by the county, when the county is in the process of maintaining or improving the counties road or road side and is employing due care in such operation.

In witness whereof the County has this \_\_\_ day of January, 1935, by duly authorized officers set forth the hand and seal of the county, and the undersigned several owners have set forth their names as follows.

Witness:

W. C. Williams  
W. C. Carson

Greenville County
