RULES AND REGULATIONS OF

GRACELAND CEMETERY DEVELOPMENT CO., INC.

1. RULES GOVERNING CEMETERY LOT OWNER-
SHIP. Lots purchased in Graceland Cemetery are conveyed by
Warranty Deed to the purchaser for his family and heirs, as a
burial place forever.

In order that the Corporation may have a correct record of
ownership of all lots where a re-sale and conveyance is made,
it is required that the recorded deed shall be presented at its
office so that a record of the transfer can be made. A fee of
\$2.00 will be collected before any transfer of ownership is
made on the Corporation's records. The Corporation is governed
by its own records as to ownership of lots.

Where a lot is purchased and an extension of time is grant-
ed by the Corporation for payment, the Corporation retains
ownership of the lot until all charges due it are paid, and the
Corporation reserves the right to remove the remains which
may be interred on the lot, to a smaller lot equal in value to
the amount paid on the original, or to a single grave in the
event that a default occurs in the agreed payment.

An order in writing is required of the lot owner whenever
a grave is to be opened, containing the name, age, sex and
residence of the deceased, and a permit from the Board of
Health must be shown to the Superintendent of the grounds before
interment is made. If interment is to be made in the forenoon,
application must be made before 2 o'clock p. m. on the previous
day. If in the afternoon, by 9 o'clock a. m. on the same day.

Lot owners shall at once notify the Corporation of any
change in his or her post office address or name.

No disinterment shall be allowed except upon order of the

order of the owner or owners of the lot, and in every case can
only be made under the supervision of the Superintendent.

The Corporation shall have the right at all times to enter
upon each and every lot for the purpose of maintaining, clean-
ing, and policing it.

The Corporation from time to time may lay out or alter such
avenues or walks, or make such rules and regulations for the
government of the grounds as it may deem requisite or proper
to promote the general objects of the cemetery.

No consent or approval of the Corporation shall be valid
or binding unless the same shall be in writing over the signature
of an Executive officer.

2. RULES GOVERNING WORK DONE AT CEME-

No lot owner shall have the right to have shrubs and plants
cultivated in any portion of the lot, except upon consent of the
Corporation. In the event permission is granted, all work to be

situated in any lot shall become detrimental to adjacent lots or
avenues or unsightly or inconvenient, or interfere with the
