

clearance area of the easement or right of way for telephone and telegraph purposes granted and more particularly described in that permit of Parie Jones Green, et al. to Southern Bell Telephone and Telegraph Company dated March 27, 1946, and recorded in the R. M. C. Office for Greenville County, in Deed Book 293 at page 199;

Provided, however, that such buildings as constructed and maintained shall not prevent proper maintenance and operation of said telephone and telegraph line; and provided further that poles may be relocated or rearranged on the line of the present telephone and telegraph line by the grantor, at the request of, and at the expense of, the grantees herein, in order to allow the erection of such buildings.

Except as hereinabove specifically amended, the afore-said general permit shall remain in full force and effect.

IN WITNESS WHEREOF the said granting corporation has caused its corporate seal to be hereunto affixed and these presents to be subscribed by its duly authorized officers, on this the 14th day of January in the year of our Lord one thousand, nine hundred and sixty, and in the one hundred and eighty-fourth year of the Sovereignty and Independence of the United States of America.
