At any time within the period of this option, the Taylors Water and Sewer District Commission, its agents, assigns, or contractors, may enter upon the lands of the undersigned for the purpose of making necessary surveys and studies without being deemed to have exercised this option.

If the Taylors Water and Sewer District elects to exercise this option, the undersigned agree that they will, at such time as may be specified by the Taylors Water and Sewer District Commission, and without cost to the undersigned, execute and deliver a proper instrument of conveyance conveying such easement and right-of-way to the Taylors Water and Sewer District, free from all encumbrances, it being understood and agreed that the purchase price above stated will not be payable until the delivery of such conveyance.
