

Greenville County has considered no plans to open this portion of said street as a public road. Other streets in the area have been opened as public roads prior and subsequent to the aforesaid deed from H. K. Townes and J. M. Fortner to Greenville County, and these streets provide adequate access to the surrounding roads and highways. For the above reasons Greenville County by and through the County Board of Commissioners has determined that it no longer needs the portion of Ray Street being conveyed herein and therefore expressly abandons the same and by this deed releases all right, title, and interest of the said Greenville County in and to that portion of Ray Street being conveyed herein to the adjacent property owner, which is the grantee herein.
