Act 38

The land of the Grantor over which said rights and easements are granted is a part of the property described in the following deed(s) from Henry Ansel Lindsey recorded in Book 864, page 280.

Said land is shown on map of Duke Power Company Rights of Way for Ocone Mid-Crescent Transmission Line, dated June 12, 1969, marked File No. 44-125, copy of which is attached hereto and made a part hereof.

Grantor, for the consideration aforesaid, further grants to Grantee (1) the right at any time to clear said land and keep said land clear of any or all structures, trees, fire hazards, or other objects of any nature; (2) the right at any time to make relocations, changes, renewals, substitutions and additions on or to said structures within said land; (3) the right from time to time to trim, fell, and clear away any trees on the property of the Grantor outside of said land which now or hereafter may be a hazard to said towers, poles, wires, cables, or other apparatus or appliances by reason of the danger of falling thereon; (4) the right of ingress to and egress from said land over and across the other lands of the Grantor by means of existing roads and lanes thereon, adjacent thereto, or crossing said land; otherwise by such route or routes as shall occasion the least practicable damage and inconvenience to Grantor; provided, that such right of ingress and egress shall not extend to any portion of said lands which is separated from said land by any public road or highway, now crossing or hereafter crossing said lands.
