

hereunder is subject to the right of way of said road. The entire right of way may be used for the purpose of installing the pipe line and no obstructions shall hereafter be placed on the said right of way. The right of way is shown on a drawing dated September, 1970, labeled "Water Line right of way from existing highway right of way to 45 feet from center line of road as shown," which is attached hereto and made a part of this conveyance. The location of the pipe line on said right of way is to be approximately along the line as now located and staked out by the engineers, subject to a variation not exceeding 5 feet either way.

It is further understood that the Grantor is to have the right to use this right of way strip of land provided such use thereof shall not interfere with the proper maintenance and free access to the pipe line to be installed under this agreement. No buildings or other structures shall be placed on said right of way.

The payment above specified covers compensation for the easement of right of way, and also covers all claims for damages, along said right of way resulting from construction of the pipe line to be laid.

The undersigned agrees to release and give to THE CITY OF GREENVILLE, SOUTH CAROLINA, immediate actual physical possession of the premises above described.

IN WITNESS WHEREOF, the said grantor herewith sets his hand and seal this the 2nd day of November in the year of our Lord One Thousand, Nine Hundred and Seventy and in the One Hundred and Ninety-Fifth year of the Sovereignty and Independence of the United States of America.
