

Item 5 (continued)

The Greenville Water Works has an existing 48-inch water transmission pipeline which will be crossed by this sewer line. The Grantee shall be responsible for all damages to the said water pipeline and to the Grantor's property caused by either the construction, operation or maintenance of the sewer line. No manholes shall be closer than 25 feet to the water pipeline and construction or replacement plans shall have the prior approval of the Greenville Water Works.

approved as to form.
