

permanently, nor shall any structure of a temporary character nor any structure which is unfinished or uncompleted be used as a residence. No house trailer or mobile home shall be placed on any of said lots either temporarily or permanently unless the same shall be stored in a closed building so as not to be visible from outside of said building.

12. No fence of any type, wall or hedge shall be erected on any of said lots in front of the front wall of the dwelling located thereon which shall exceed 4 feet in height. All fuel oil tanks, gas tanks and other storage containers used in connection with a dwelling shall be placed underground or placed in an outbuilding, consistent with normal safety precautions, so that said tanks or containers shall not be visible.

13. No concrete blocks, cinder blocks or any similar type building material, or asbestos shingle siding, shall be used in connection with the construction of any buildings erected upon said lots so that said materials are visible from the outside of said building.

14. All sewerage disposal shall be by septic tank until municipal sewerage disposal is available and shall meet the approval of the Greenville County Health Department.

15. Nothing herein contained shall be construed to prohibit the use of more than one lot or portions of one and more lots as a single residence building site, provided that said lot would otherwise meet the requirements as to size, setback and directional facing of said dwellings.

16. The right is reserved to lay or place or authorize the laying and placing of sewer, gas and water pipe lines, telephone, telegraph and electric light poles on any of the streets, alleys and byways shown on said plat, or hereafter cut, without compensation or consent of any lot owner in said subdivision. An easement for the installation and maintenance of utilities and drainage facilities is reserved over said streets, alleys and byways.

17. Easements for utility installation and drainage facilities are reserved over and across the side and rear five feet of all of said lots, with the provision that in the event that one or more lots or portions thereof are joined together to form a larger lot, the easement shall be only on the side and rear boundaries of the lot as formed.

18. No building shall be erected, placed, altered, or permitted to remain on any said lots until and unless the building plans, specifications and plat plan showing the location of such building, the proposed type of construction and the
