household pets may be kept provided that they are not kept, bred, or maintained for any public purpose.

SECTION 9. Trash, garbage or other waste shall not be kept except in sanitary containers. Cans for garbage or trash maintained above ground shall be kept on a paved surface surrounded by a fence at least twelve inches higher than the highest container.

SECTION 10. No motorcycle, motorbike, go-cart or motorized vehicle of any type shall at any time be kept on nor used on the "Common Area" as defined hereinabove in Article I, Section 4.

SECTION 11. All mail boxes and stands on said properties shall be uniform and as recommended by the United States Government, and approved by the Architectural Committee. No fence shall be erected, placed or allowed to remain in the area of any numbered lot lying between the front building set back line as shown on a plat, and the edge of any street or avenue, and prior to construction of fences, plans and specifications shall be furnished the Architectural Committee, whose approval shall be given within thirty days. Approval shall be based upon fences that will blend with the community.

SECTION 12. No individual water-supply system shall be permitted on any lot. All sewerage disposal shall be by sewerage system disposal as provided for and not by individual septic system.

SECTION 13. No trees larger than three inches in diameter at a point four feet above grade shall be cut down by the owner without permission of the Architectural Committee. This does not include the trees required to be removed to make room for construction and improvements as shown on the site plan presented to the Architectural Control Committee for approval. All trees to be cut down must also have the stump removed.

SECTION 14. Front and side set back lines for the construction of individual dwellings and any other structure attached thereto shall be as determined by the Architectural Committee, provided, however, that the front set back line shall not in any event be less than 30 feet from the front line of each lot.
