Re: Pending PUD Application-Addendum No. 2

Dear Mr. Carter:

You are hereby respectfully advised that Pebblepart, Ltd., the applicant of record for the currently Pending PUD Application for our Pebble Creek Community, presented the aforementioned addendum to the residents of our community at our 1979 Annual Meeting on February 27, 1979.

We are pleased to inform you that we are in full support of this addendum which authorizes the Zoning Administration and the Planning Commission to approve certain minor changes in the Application and the Master PUD Plan, which may be required by detailed site design studies or future market conditions.

By unanimous vote, we endorse this addendum and respectfully request that you consider and approve its incorporation in the Planned Unit Development Application for our Pebble Creek Community.

Sincerely,

James Sullivan
