

Housing and Urban Development, its authorized personnel, or its authorized agents or designees to obtain technical and non-technical data on the performance of the solar energy systems including:

- (a) The right to install or have installed special instrumentation to measure the performance of the solar energy system;
- (b) The right to enter with proper notice said dwelling unit at reasonable times for testing and observation;
- (c) The right to see or copy all bills or receipts for fuel, electricity and repair to the heating, cooling and domestic hot water system as appropriate;
- (d) The right to question any occupant of said dwelling unit concerning his physical or psychological reactions to certain features of its construction and operation."

This covenant is intended to run with the land and to bind vendee or lessee as the case may be or his successor, representatives and assigns to the aforementioned date.

Vendee acknowledges and consents to the above as witnessed by their signature hereon.
