TO: Residents of Mountain View Circle

Recently it was brought to my attention that our Community Restrictions had expired as of January 1, 1981. We have the option to reinstate these restrictions if a majority of the present property owners agree in writing to extend them. With this in mind, I am attaching a copy of those original restrictions for you to review and vote on. I would suggest that we consider the extension for 10 years and I don't feel that we need section #5 of the original restrictions. If you agree, I will need you to indicate below.

Please return this letter to me with your "yes" or "no" vote and signature by May 1st.

Thank you,
Jyles A. Phillips
