Mr. Sam Putnam A.I.A.
J. E. Serrine Company
P.O. Box 5456
Greenville, South Carolina 29606

Dear Sir:

This is to advise you that electrical service is available to adequately serve your proposed project, Rolling Green Village, which is to be located in the Garlington Road area near the city of Greenville, South Carolina.

There is presently adequate electrical service in the area to furnish this project demand and can be extended to serve your proposed project at your request and upon proper agreements between the landowners and Duke Power Company.

If you need additional information please call Duke Power Company, 242-5111 extension 288. We understand this project will be a retirement complex with all the facilities necessary for the retired and elderly. We look forward with anticipation to a request to provide the service for the project.

DUKE POWER COMPANY
