1. That should the Mortgagor, upon payment of the indebtedness secured by this mortgage, and subsequently fail to make a payment or payments as required by the aforesaid promissory note, any such payment or payments shall be applied first of the aforesaid payment or payments insofar as possible, in order that the principal debt will not be held contractually due and owing.

It is mutually agreed that if there is a default in any of the terms and conditions of this mortgage, or of the note secured hereby, then, at the option of the Mortgagor, all sums then owing by the Mortgagor to the Mortgagee shall become immediately due and payable and this mortgage may be foreclosed. Should any legal process, such as an action for the foreclosure of this mortgage, or should the Mortgagee become a party to any suit involving this Mortgage or the title to the premises described herein, or should the debt secured hereby, or any part thereof be placed in the hands of an attorney at law for collection by suit or otherwise, all costs and expenses incurred by the Mortgagee, and a reasonable attorney's fee, shall then, upon demand due and payable immediately or on demand at the option of the Mortgagee, as a part of the debt secured thereby, and may be recovered and collected hereunder.

It is further agreed that the covenants herein contained shall bind, and the benefits and advantages shall accrue to, the respective heirs, executors, administrators, successors, grantees, and assigns of the parties hereto.
