

卷之三十三 七

The Mayor said that he would give the Board of Health 60 days to make arrangements with the State Health Department to have the water tested.

For individuals interested in self-help, and the benefits and advantages still made by the therapeutic model, it is important to understand the process and the types of the parties involved. At present, the majority of individuals who seek help through the therapist and the use of self-help groups should be approached with a sense of
