

ADJUSTABLE RATE RIDER VOL 1679 PAGE 137 (Interest Rate Limits)

THIS ADJUSTABLE RATE RIDER is made this 23 day of August, VOL 1682 PAGE 233
and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure
Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's
Adjustable Rate Note to The Palmetto Bank
(the "Lender") of the same date (the "Note") and covering the
property described in the Security Instrument and located at: Lot 30, Heritage Lakes Subdivision
111 Saddletree Place, Simpsonville, South Carolina

[Property Address]

The Note contains provisions allowing for changes in the interest rate every year
subject to the limits stated in the Note. If the interest rate increases, the
Borrower's monthly payments will be higher. If the interest rate decreases, the
Borrower's monthly payments will be lower.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument,
Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 12.25%. Section 4 of the Note provides for changes in the interest
rate and the monthly payments, as follows:

B. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of September 1, 1985, and on that day
every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average
yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal
Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the
"Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable
information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding 2 1/2 percentage points
(2.5%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth
of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new
interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the
 unpaid principal balance of my loan I am expected to owe on the Change Date in full on the maturity date at my new
 interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The rate of interest I am required to pay shall not be increased or decreased on the first Change Date by more than
two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. The rate
of interest I am required to pay shall never be increased or decreased on any subsequent single Change Date by more
than one percentage point (1.0%) from the rate of interest I have been paying for the preceding twelve months. My interest
rate also shall never be greater than 17%.

(E) Effective Date of Change

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly pay-
ment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes

(F) Notice of Changes

The Note Holder will mail or deliver to me a notice of any change in the amount of my monthly payment before
the effective date of any change. The notice will include information required by law to be given me and also the title
and telephone number of a person who will answer any question I may have regarding the notice."

B. CHARGES; LIENS

Uniform Covenant 4 of the Security Instrument is amended to read as follows:

4. Charges; Liens. Borrower shall pay all taxes, assessments, and other charges, fines and impositions attributable to
the Property which may attain a priority over the Security Instrument, and leasehold payments or ground rents, if any,
in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when
due, directly to the payee thereof. Borrower shall promptly furnish to Lender all notices of amounts due under this
paragraph, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts
evidencing such payments. Borrower shall promptly discharge any lien which has priority over this Security Instrument;
provided, that Borrower shall not be required to discharge any such lien so long as Borrower: (a) shall agree in writing
to the payment of the obligation secured by such lien in a manner acceptable to Lender; (b) shall in good faith contest
such lien by, or defend against enforcement of such lien in, legal proceedings which in the opinion of Lender operate
to prevent the enforcement of the lien or forfeiture of the Property or any part thereof; or (c) shall secure from the holder
of such lien an agreement in a form satisfactory to Lender subordinating such lien to this Security Instrument.

If Lender determines that all or any part of the Property is subject to a lien which may attain a priority over this Security
Instrument, Lender shall send Borrower notice identifying such lien. Borrower shall satisfy such lien or take one or more
of the actions set forth above within ten days of the giving of notice.
