

State of South Carolina,
County of Greenville.

The above plat represents the Real Estate of W.B. Hardin, deceased, and two tracts of Mrs. Sallie-Hardins, adjoining said Estate. I find by calculation Two hundred & ten (210) acres, in Greenville County and in all of the tracts south of River in Pickens County to contain Four hundred & thirty five (435) acres, be the same more or less. I have shown the acreage of such tract separately. Surveyed by me ending June 5th, 1915.
