Community Plan Meeting 4 Minutes

1. Welcome/Introductions- [Sharon Lamott ,Staff- Brennan Hansley, & Tina Belge] 6:03pm
2. Community Officer Report & Questions
 - a. Officer Wes Kilgore spoke briefly about concerns of vagrants in the neighborhood and the security of the Mill. He encouraged residents to contact him with issues.
 - b. Code enforcement officer Ramos spoke about codes issues in the neighborhood, particularly blighted and vacant houses and encouraged folks to call the office number to report issues directly to be added to his docket.
3. Community Plan presentation (Transportation)
 - a. Tina Belge, Long Range Planner from Greenville County started the presentation with a recap on last meeting's Land Use topic and the importance of the transportation element as part of the community plan.
 - b. Brennan Hansley, Transportation Planner with GPATS and Greenville County, then presented on transportation topics Monaghan had previously proposed in their kickoff meeting. State vs. County roads were discussed as Monaghan largely has state roads, which framed much of the conversation as related to stop lights vs. signs, roundabouts, trail connections, and sidewalks. Brennan broke down the processes for implementation of these strategies as well as possible funding sources. Additionally, staff will reach out to SCDOT District 3 staff to review possibilities for these implementation tools in Monaghan.
4. Transportation Charette
 - a. The community broke into two groups of about 6-8 people each to draw out the different tools for transportation such as stoplights, stop signs, lighting, gateway entrances/signs, etc. Each group had a uniquely different map that highlighted where they'd like to see changes.
5. Next Meeting
