PERSONALLY appeared before me M. M. Hewell, who, being duly sworn, says that the complete consideration for the above stated deed is the satisfaction of certain mortgages given by the grantor as follows:

1. Mortgage to Susan C. Mills dated June 12, 1929, in the sum of \$1,000.00, recorded in Volume 216, page 220.
2. Mortgage to Susan C. Mills dated June 12, 1929, in the sum of \$2,800.00, recorded in Volume 216, page 219.
3. Mortgage to American Building & Loan Association dated June 12, 1929, in the sum of \$1,700.00, recorded in Volume 211, page 214.

That the total amount now due by reason of said mortgage indebtedness is \$5,196.26, including principal and accrued interest. That said mortgages were given as above stated in 1929 when realty values were much inflated. That due to depreciation in real estate values, as well as depreciation upon the frame building located upon this property, its present value is not in excess of \$4,000.00.

Sworn to and subscribed before me this 31st day of March, 1934.
