Whereas the parties of the first have recently acquired from Louis L. Barr and Ella D. Barr, by deed recorded in Vol. 32, page 350, two certain lots of land, one fronting on Main Street and the other fronting on North Street in the City of Greenville, South Carolina, which said lots are separated by an alley way which extends in a southerly direction from North Street in the first block West of Main Street and which was opened and is maintained for the use and benefit of the owners and occupants of the several lots owned by the parties of the second part and parties of the first part.

Whereas the parties of the first part are now constructing an underground passageway under and across said alley for the purpose of connecting their lots above mentioned and in the course of such construction have altered the location of certain pipes running from North Street to the lots belonging to certain of the parties of the second part and the parties of the first part intend to construct an overhead passageway over and across said alleyway connecting the second stories of their buildings on said two lots belonging to the parties of the first part, such passageway to be so constructed as to leave said alleyway clear and unobstructed for its full width to a height of 14 feet above ground.

Now therefore the parties of the second part do hereby agree and consent to such change in the location of such pipes and to the construction of the overhead passageway as aforesaid and do hereby release the parties of the first part from any claim or claims for the damage on account of same.
