

State of South Carolina,
County of Greenville.

H. I. McCarrson, of said County and State, in consideration of the sum of one dollar (\$1.00), paid by State Commission of Forestry, receipt of which is hereby acknowledged, grants to said State Commission of Forestry, its successors and assigns, the right, privilege and easement to construct, operate and maintain a telephone line for Forest Protection, including all telephone, and other wires, poles, attachments, equipment and accessories desirable in connection therewith, over, upon and across the following described tract or parcel of land known as Johnson, land in or near the town of Cleveland Gap Creek School District, Cleveland Township, Greenville County, South Carolina, and adjoining the lands of W. M. Cantrell both sides, and others; the course heretofore located and marked out for such construction, operation and maintenance, being described as follows:
