1. The lot of land hereby conveyed shall be used exclusively for single family residences for white persons only, (except as to servants of occupants) and shall never be sold, rented, or otherwise disposed of to any person wholly or partly of African descent, or used in any manner which may render neighboring property less desirable for residential purposes.

3. The grantor reserves to itself and its successors the right to the placing, maintaining, repairing and replacing of gas, water, and sewer pipes, telephone, telegraph, light and power lines, and any other instrument of public utility over or under any street, alley, or park at any time without compensation to any lot owner; except that the premises shall be left in as good condition as before.

By accepting this deed, each grantee binds himself and his heirs and assigns to comply with all of said conditions, such conditions being a part of a general plan, which plan has been adopted by the grantor and is applicable to all grantees purchasing lots in Forest Hills Addition #2 Development.

7. Paragraph 5 above is not intended to prevent cutting off and conveying a small portion or portions of the within described lot provided the frontage of said lot is not reduced to less than 75 feet and provided further that each dwelling erected shall be upon a lot of at least 90 foot frontage.
