Memorandum of agreement entered into this 20th day of December, 1943 between W. Raymond Williams, Jr., as Trustee, and A. J. Buchanan to the following effect.

The said A. J. Buchanan is the owner of lots 68, 69 and 47 in a subdivision of "Love Estates" located just north of the village of Travelers Rest. Lots 68 and 69 face Love Street and the said Love Street runs along the northern line of lot 47. There is now a 2 inch water line along Love Street in front of lots 68 and 69. The said A. J. Buchanan already has the right and privilege of tapping this water line for servicing lots 68 and 69 but he does not have this privilege as to lot 47.

Now in consideration of \$30.00 paid to the said W. Raymond Williams Jr. as Trustee, by the said A. J. Buchanan, the said W. Raymond Williams Jr., as Trustee, by this instrument, does hereby sell, convey and grant unto the said A. J. Buchanan the right to tap the said water line for the use of lot 47 but he the said A. J. Buchanan in making such tap and connection is to do so in such a manner as not to interfere with the use of the said line by any other lot owners. And it is specifically understood and agreed that in granting this right and privilege it is for the use of the lot 47 only and not for any other property that the said A. J. Buchanan might own thereabouts. In making the connection or tap herein referred to the said A. J. Buchanan is to leave open and suitable for further use the pipe line now on Love Street and not reduce it below its present two inch size.

In witness whereof W. Raymond Williams, Jr., as Trustee, does set his hand and seal the day above written.
