Township, in the said County and State, bounded by lands of The Pure Oil Company on the West, Sou. Rwy. on the South and other lands of the Grantors on the North. The

center line of the easement granted begins on the Northern property line of the Grantors at a point 2 ft. West of the Northeast corner of the lot of The Pure Oil Company and runs in a Southerly direction 246 feet to right-of-way of Sou. Rwy., which point is 8 ft. East of the Southwest corner of Grantors' lot. Said lot was conveyed to the Grantors by C. O. Berry by deed recorded in the R.M.C. Office for Greenville County, S. C. in Deed Book 244, Page 224.

To construct and maintain in, upon and through said premises, in a proper manner, a pipe line, air vents, blow off connections, manholes and other necessary apparatus incident thereto, using the necessary appliances and machinery for such work for the purpose of conveying water through the premises above described, together with the right at all times to enter upon said premises for the purpose of inspecting said line and making necessary repairs and alterations thereon, together with the right to cut away and keep clear of said pipe line all trees and other obstructions that may in any way endanger or interfere with the proper operation of or access to the same.

The location of the pipe line, when laid, will determine the definite location of the right-of-way. The center of the pipe line shall be accepted as lying twenty-five feet from the West boundary line of this right-of-way. The

remaining fifty feet of said right-of-way during construction shall lie East of the center of said pipe line and the entire right-of-way may be used for the purpose of installing the pipe line. The location of said pipe line is to be approximately along the line now located and staked out by the engineers, subject to a variation of not exceeding five feet either way. The permanent right-of-way, after the pipe line is installed, shall be fifty feet in width measuring twenty-five feet from the center on each side of said pipe line as laid, and no obstruction shall hereafter be placed on said fifty foot right-of-way.

If in laying the pipe line it is necessary to cut any timber from the right-of-way, such timber shall be placed at the edge of the right-of-way on the land of the undersigned and shall be the property of the undersigned.

It is further understood that the owner is to have the right to cultivate and use this right-of-way strip of land, provided, such use thereof shall not interfere with the proper maintenance and free access to the pipe line to be installed under this agreement.

It is further agreed that in case of future damages to property or crop, due from an accident on the pipe line that the City of Greenville shall pay all damages.

The payment above specified covers compensation for the easement or right-of-way, and also covers all claims for damages along said right-of-way resulting from construction of the pipe line to be laid.
