

placed upon record although plaintiff took possession of said land; that, as an interested party, she desires to preserve the contents of said deed, perpetuate the testimony as to its execution and delivery to her and to establish of record good and sufficient title to said described tract of five acres of land.

WHEREFORE: Plaintiff prays that the contents of said deed be established; the evidence of its execution and delivery be preserved; that it be decreed that the said five acres of land were conveyed to the plaintiff, her heirs and assigns, in fee simple free of encumbrances for such other and further relief as to the Court may seem meet and proper.
