RULES AND REGULATIONS OF
GRACELAND CEMETERY DEVELOPMENT CO., INC.

1. RULES GOVERNING CEMETERY LOT OWNERSHIP. Each purchaser of Cemetery Lots or Graves will be furnished a Deed conveying to him the property so purchased, which Deed will be executed by Warranty Deed to the purchaser for his benefit and the heirs of his body only.

In order that the Corporation may have a record of the lots owned upon the Cemetery, and to avoid errors, all transfers of lots must be recorded on the books of the Corporation before they can be recognized. A fee of $2.00 will be charged for each transfer. Owners' names and addresses should be kept corrected on the Corporation's records. The Corporation is not responsible for lots lost by failure to notify the Cemetery.

When a lot is purchased and paid for in full, a Deed will be executed by the Corporation for the lot and all charges due it are paid, and the Corporation reserves the right to remove the remains which may be interred on the lot to a smaller lot equal in value to the amount paid on the original, or to a single grave in the event that a default occurs in the agreed payment.

An order in writing is required of the lot owner whenever a grave is to be opened, containing the name, age, sex and residence of the deceased, and a permit from the Board of Health must be shown the Superintendent of the grounds before interment is made. If interment is to be made in the forenoon, application must be made before 2 o'clock p. m. on the previous day. If in the afternoon by 9 o'clock a. m. on the same day.

Lot owners shall at once notify the Corporation of any change in his or their post office address or name.

No dead human shall be allowed except upon order of the Executive Officers of the Corporation, and upon the written order of the owner or owners of the lot and in no case shall be said under the supervision of the Superintendent.

The Corporation shall have the right at all times to change such graves as it may deem necessary for the purpose of making additions and improvements.

The Corporation reserves the right from time to time to lay out or alter avenues, drives, walks or roads and to plant trees and shrubbery and to change the boundaries of the lots and grounds devoted to burial purposes.

No person except employees of the Corporation shall be allowed to work on the same without permission from the Superintendent.

3. RULES GOVERNING WORK DONE AT CEMETERY. All work to be done within the Cemetery by lot owners or their agents must be done with the consent of the Superintendent of the Cemetery and in accordance with the rules and regulations established by the Corporation.

No stone, brick or other material shall be placed on any lot or grave until the plans for the same have been approved by the Superintendent, and a permit issued therefor. All material and implements used in the construction of work must be placed on the lot or grave where the work is being done, and not on the adjoining lots or graves. Any damage done to the lots or graves by the workmen must be repaired at once by the lot owner or the Corporation will do the work and charge the cost to the lot owner.

No work of any character will be done upon any lot except by employees of the Corporation, or by some person authorized by the lot owner, and the Corporation shall have the right, from time to time, to prescribe the rules and regulations under which all such work shall be done, and the hours during which workmen will be permitted to work in the Cemetery.

4. RULES GOVERNING LOTS. The grade of all lots, lawns, and driveways as established or changed, from time to time, by the Cemetery and all improvements put or placed upon any lot shall not be altered or changed except by the Cemetery.

No trees, shrubbery, or plants shall be placed upon or removed from any lot or pruned, except with the consent of the Corporation, but the Corporation shall have the right, from time to time, to plant, transplant, remove, or prune trees, shrubbery and plants upon said lots.

The Corporation reserves to itself the entire control of every tree, shrub, or vine, growing within the cemetery enclosure, whether planted by the lot owner or otherwise, including the right of removal when it considers such removal advisable.

Trees will not be removed to make additional burial space.

The Corporation will use reasonable care in examining trees and removing those apparently in unsound and dangerous condition or unsound and dangerous limbs and branches of trees, but it expressly disclaims responsibility for damage either to persons or property resulting from taking trees or parts of trees.

No flowers or ornaments or objects shall be kept upon any lot after the same shall have become withered, soiled, or unsightly, and in case of the failure of the owner of any lot to remove any such flowers or other unsightly objects the Corporation shall have the right to remove the same and in no case will the employees attempt to find them after removal nor will the Corporation be responsible for misplaced articles or graves.

No baskets, glass or pottery, wire trellis, arches, watering pots, glass or earthenware boxes containing artificial flowers or any sort of receptacle or flowers, except such as are sunk below the surface of the lawn for the grave or lot containing cut flower sentiment which may be placed out while mowing the said lot, shall be permitted upon any grave or lot and all such as are not sunk below the surface of the lawn grave or lot may be removed by the Cemetery.
