

is reserved for all lots in said subdivision. In the event two lots are combined into a single lot, or that there is any other combination of lots or parts of lots in the hands of single owner, said drainage easement may be relocated, provided the relocated easement is adequate and does not adversely affect the rights of other property owners or adversely affect existing drainage facilities.

III

A ten foot drainage easement is reserved along each side of the branch shown on said plat.

IV

All other restrictions heretofore imposed on this subdivision and not herein amended are confirmed in their entirety.

WITNESS THE HANDS AND SEALS of the undersigned this 18th day of February, 1955.
