

AND GRANTING unto my said attorney full power and authority to do and every act, deed, matter, and thing whatsoever in and about my said and affairs as full and effectually to all intents and purposes as if I were in my own proper person if personally present, and above specially powers being in aid and exemplification of the full and complete and general power granted and not in limitation or definition thereof; and hereby ratify and confirm that my said attorney shall lawfully do or cause to be done by virtue of this

and I hereby declare that any act or thing lawfully done hereunder by my said attorney shall be binding on myself, and my heirs, legal and personal representatives, whether the same shall have been done before or after my death, and whether the same shall have been done before or after the date of this instrument, unless and until reliable intelligence or notice shall have been received by my said attorney; and whether or not the same shall have been reported or listed, either of record, or as "missing in action" as that phrase is used in military parlance, independent hereof that such status designation shall not bar my attorney from completely exercising and continuing to exercise any and all powers herein granted, and that such report of "missing in action" shall not be interpreted as constituting notice of my death not operative to terminate my said attorney's authority.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this 27 day of March, nineteen hundred and fifty six.

William Lee Morris
