

2.

The location of the center of the said pipe line or lines as the said pipe line or lines pass through the property of W. Haskell Coggins Estate according to said plat will be as follows:

Entering the North boundary line of the property of W. Haskell Coggins Estate at a point located 194 feet, more or less, in a Western direction from the center of S. C. Highway No. 11 and 325 feet in an Eastern direction from the center of the Hart Cut Road at Station 273+ 61.4 of the survey of the North Saluda Reservoir pipe line and runs thence through the property of W. Haskell Coggins Estate, S. 25-02 W., 715.5 feet to Station 280+ 76.9 of the survey which point is located in the center of the Hart Cut Road in the Southwestern boundary line of the W. Haskell Coggins Estate tract.

The property affected by this right of way is the same conveyed to W. Haskell Coggins by deed of Sarah Anne Cox dated June 17, 1935, recorded in the RMC Office for Greenville County, S. C., in Deed Book 171, page 288. The said W. H. Coggins having subsequently died intestate leaving as his sole heirs-at-law the landowners named in the Notice of Condemnation;

and to construct and maintain in, upon and through said premises, in a proper manner, a pipe line or lines, air vents, blow off connections, manholes and other necessary apparatus incident thereto, using the necessary appliances and machinery for such work for the purpose of conveying water through the premises above described, together with the right at all times to enter upon said premises for the purpose of inspecting said line or lines and making necessary repairs and alterations thereon, together with the right to cut away and keep clear of said pipe line or lines all trees and other obstructions that may in any way endanger or interfere with the proper operation of or access to the same.

It is understood and agreed that the right of way to be used under this contract during construction is to be seventy-five feet in width throughout the entire length which is approximately 716 feet, and the damage, which The City of Greenville, South Carolina, is to be liable for during construction, is to be confined to this strip and nothing beyond. The location of the pipe line or lines, when laid, will determine the definite location of the right of way. The center of the pipe line or lines shall be accepted as lying twenty-five feet from the West boundary line of this right of way. The remaining fifty feet of said right of way during construction shall lie East of the center of said pipe line or lines and the entire right of way may be used for the purpose of installing the pipe line or lines. The location of said pipe line or lines is to be approximately along the line as now located and staked out by the engineers, subject to a variation of not exceeding five feet either way. The permanent right of way, after the pipe line or lines are installed, shall be fifty feet in width measuring twenty-five feet from the center on each side of said pipe line as laid, and no obstruction shall hereafter be placed on said fifty foot right of way.
