

7.27 to stone 3x; thence N. 74 3/4 E. 8.10 to poplar on branch; thence with the meanders of branch in a Southeasternly direction to the river; thence with the meanders of Reedy river including Log Shoals to the beginning corner. Said premises being the same conveyed to Conestee Mills by E.C. Garrison by deed recorded Vol. 53 at Page 9.

Also all that other tract of land in Grove Township, on the West bank of Reedy river, about 3 miles from Conestee Mills, and having the following metes and bounds, according to a survey and plat made by W.J. Riddle February 4, 1918.

Beginning at a blackgum on Reedy river, corner of tract conveyed to Conestee Mills by E.C. Garrison (described above) and running thence with the line of said tract S. 67 W. 11.00 to rock 3xom; thence S. 18½ E. 9.92 to iron pin, corner of land formerly owned by J.S. Moore; thence with the line of the Moore land N. 62 E. 12.50 to maple 3x on Reedy river; thence with the meanders of Reedy river in a Northwesternly direction to the beginning corner. Said premises being the same conveyed to Conestee Mills by deed recorded in Vol. 20 at page 252, and containing 11 acres, more or less.

Also all that other tract of land in Grove Township, Greenville County, containing 15.20 acres, more or less, and having the following metes and bounds, to-wit:

Beginning at a maple on the West bank of Reedy river, corner of land now or formerly owned by Arthur Alexander; thence with the line of the Alexander land S. 78 W. 11.35 to stone; thence S. 21 W. 13.50 to stone 3x; thence S. 44½ W. 4.36 to poplar on branch; thence with branch as a line in a Southeasternly direction 8.85 to the junction of branch with Reedy river; thence with the meanders of Reedy river in a Northeasternly direction to the beginning corner. Said tract being the same conveyed to Conestee Mills by J.R. Riddle by deed recorded in Vol. 35 at page 206.

Also all that other tract of land in Grove Township, Greenville County, about three miles South of Conestee Mills, and having the following metes and bounds according to survey made by J.W. Riddle August 10, 1918.

Beginning at a stone of the East side of the bridge over Reedy river on the road leading from Laurens to Fork Shoals road, and running thence with said road 3.05 in a Northeasternly
